Profile

A highly experienced project manager who provides expert litigation support, Angela joined the Gilbert Walker team in 2004 from Chapman Tripp where she previously managed their litigation support team.

Angela has over 20 years' experience in document management and litigation support. She works closely with clients and senior lawyers to streamline document management and factual analysis. Her particular expertise in the electronic resources that support document-heavy litigation means that critical information is easily accessible to the litigation team and clients.

Credentials

- LLB (Hons) (Warwick)
- Admitted to practise in England and Wales in 1987
